

Annotation-1:

Finding: Enterprise Expansion has a 33% campaign response rate.

Implication: This indicates relatively strong audience engagement with the campaign.

Action: Review the campaign's targeting and messaging for potential reuse in other campaigns.

Annotation-2:
Finding: Medium companies have the highest average deal size at **\$1,662.76**, compared with **\$1,593.61** for Large and **\$1,514.54** for Small companies.

Implication: Medium-sized companies are currently associated with the largest average deal values.

Action: Review the characteristics and sales approach for Medium-sized accounts to identify practices that could be applied to other segments.
